Mid-America Regional Council
Missouri STP Priorities Committee
600 Broadway, Suite 200
Kansas City, MO 64105-1659

August 14, 2020

Dear Selection Committee,

The Smithville Area Chamber of Commerce fully supports the City's application for funding of the Smithville Streetscape Phase II Project. The proposed project will extend the Downtown Streetscape Project along Bridge Street from Church Street to First Street. The project will improve access to downtown as well as the pedestrian experience, including lighting and street trees.

We would ask that the Selection Committee favorably consider funding this important connection for our community and students.

Respectfully,

A handwritten signature in black ink that reads "Carol Noecker". The signature is written in a cursive style and is followed by a long horizontal line.

Carol Noecker
Executive Director
Smithville Chamber of Commerce

Mid-America Regional Council

Date August 24, 2021

Dear Selection Committee,

The Smithville Main Street District fully supports the City's application for funding of the Smithville Streetscape Phase II Project. The proposed project will extend the Downtown Streetscape Project along Bridge Street from Church Street to First Street. The project will improve the access to downtown and the pedestrian experience including lighting and street trees.

We would ask that the Selection Committee favorably consider funding this important connection for the community and students.

Respectfully,

Alicia Neth

Vice President of the Smithville Main Street District
